To Whom It May Concern:

Bulldog Fence was awarded the Bay Colony Contract to furnish and install the following work in 5 residential four-story condominium buildings consisting of 86 units:

- Welded aluminum balcony rail
- Custom aluminum outlookers / brackets
- Decorative aluminum shutters
- Aluminum stair railing
- Chain link fence storage cages

I am pleased to say that Bulldog has performed to the highest of standards on our jobsite. The workers in the field are safety conscious and the quality of their work and the materials is impressive. We find that material delivery and scheduling is always on time. Both field and office staff are highly professional and work cooperatively with other members of our construction team to make our work flow go smoothly.

When in a bind, they come through when it counts and we would recommend Bulldog for any future work.

To Whom It May Concern:

Bulldog Fence Company was contracted in Valencia Pointe Master Association for a major perimeter fence project. Our Association takes much pride in the beauty of our grounds and their selection as our vendor for this project is a testament to the quality of Bulldog Fence as a company. Their attention to detail, prompt response time and keen knowledge has proven to be, with no doubt, the right choice for our Association. Many of our Residents also utilize Bulldog Fence for their fencing projects at their homes. They are very flexible, accommodating, and it is clear that they take a personal pride in the quality of their work.

I highly recommend Bulldog Fence Company with the utmost confidence. If you have any questions, please feel free to contact me at (561) 424-9400.

Re: Bulldog Fence of Florida, LLC

To Whom it May Concern,

I am writing to recommend the services of Bulldog Fence of Florida. I have worked closely with Bulldog Fence on 3 separate projects for 3 different communities in the past year, and have always been completely satisfied.

They have done an excellent job on each of the projects, from big to small. The largest project I've worked on with them just recently involved the removal and replacement of all individual fences though out a 112 unit townhome property. In addition to the fence replacement, they also replaced all entrance railings to the homes as well. They were an easy vendor to work on every aspect of the job. The products are well constructed and installed and have added to the beauty of our communities.

With each project, they have been very reasonably priced, and have done exactly what we've asked of them. The level of customer service provided to us, the Board of Directors, and to the homeowners has been second to none. If and when we needed anything, it was addressed quickly and professionally.

I'm happy to recommend the services of Bulldog Fence and will continue to make them my first choice for any upcoming projects at any of my communities. If you have any questions, please feel free to contact me.

Respectfully,

To Whom It May Concern ~

Bulldog did a great job replacing all of our balcony and hand railings for our 9 Buildings. We found them to be fast and efficient. Our new aluminum railings look fabulous and are easy to clean.

We had originally contracted with another vendor before being referred to Bulldog Fence Co. The contractor was not able to meet our bond requirements which defaulted them entirely. We contacted Bulldog, and within 48 hours they field measured our buildings, provided a very competitive quote with railing sample. We never looked back!

Sincerely~

Re: Bulldog Fence, 120 Commerce Road, Suite D, Boynton Beach FL 33426

To Whom It May Concern:

Please be advised that Bulldog Fence has installed for us 6,000 feet of Sym-Tek fence which is magnificent looking and is the talk of the town. We get nothing but compliments from the entire community. Our dealings with Bulldog fence from the beginning to the final stages have been in a most professional manner and they are to be complimented for the way they do business.

We certainly would recommend Bulldog fence to anyone who is looking to install a fence. Please feel free to contact me if you have any questions as I was the person who was in charge of the entire project.

Very Truly Yours,
